Hi Brett and Deryck,

As per your request during today's site visit, attached please find photos of the business cards collected by OSC Robert Wise during the Slauson Tanker Fire Incident, as well as cards I collected today at the Site.

In addition, the Los Angeles Regional Water Quality Control Board has expressed concern about the site from a water resources protection standpoint. My understanding is that the case representative will be:

Kevin Lin, P.E.
Water Resource Control Engineer
Los Angeles Regional Water Quality Control Board
Site Cleanup Program Unit IV
320 West 4th Street, Suite 200
Los Angeles, CA 90013

I have cc-ed Mr. Lin on this email.

Sincerely,
